

Club Partnerships

Hello! As soccer season is winding down, are you looking for new, skills-driven winter options? We are partnering with Central Ohio soccer clubs to provide players, teams, and coaches a constructive winter futsal program and a FUN experience! Futsal is sport in its own right, but is often used as a powerful training vehicle for competitive soccer players. In 2016, we hosted over 450 players from 14 different soccer clubs! Division winners included teams from Club Ohio, Barcelona United, and Galacticos FC. We'd like to invite **you** to join the futsal revolution and use this innovative tool to put your club a step above the rest. The CFL is the best winter playing option for youth teams! Futsal is the only form of indoor recognized by FIFA. CFL is fully sanctioned by U.S. Youth Futsal and affiliated with U.S. Soccer.

Benefits as a club partner include:

- Exclusive team pricing into the league--this can save your club money and get more out of your winter training budget. It's easy to add and allocate the monies from player fees or provide extra compensation for your coaching staff during the futsal period. Ask us how!
- No coaching license is necessary to enter the league but you will be provided with coaching education opportunities and information from the Columbus Futsal organization
- Pathways for players to be discovered and invited to other top level USYF events, including USYFNT ID
- Discount tickets to Columbus Futsal men's professional matches for groups and team building
- Club recognition night, player escorts and ball kid opportunities
- Private invitation to watch Columbus Futsal pro training session
- Access to Sports Medicine services from Nationwide Children's (*attached*)
- Exclusive team pricing for CFL Adult Sessions so coaches and directors can enjoy futsal too!
- Priority scheduling, management system, and app through HTG Sports
- Better skill development for individuals and builds stronger team chemistry
- A more tactical approach to coaching
- Increased performance for spring tournaments

Columbus Futsal League provides two winter sessions and one summer session here locally with east and west locations. Games are played on the weekends during the winter at City of Columbus Athletic Complexes. Parents of high-level club soccer players contact us nearly every day. Many of them put in teams themselves due to lack of winter plans from their coach. We are dedicated to stronger, smarter players coming out of Columbus. Will you join us?

"Play How the Rest of the World Plays!"
